LOCAL MINISTRIES

CommonGround Free Store:

Common Ground Free Store is a warm, welcoming place where basic material needs - clothing, shoes, household goods, linens, toys, personal care items, diapers, wipes, and hot meals - are available to anyone for free. We support families as they establish and maintain stability and self-reliance. In doing so, we help the local community share with their neighbors in need and keep material items out of the waste stream. During 2021, the Free Store provided more than 110,000 essential items and close to 20,000 hot meals, allowing folks to redirect money to other expenses, like healthcare, utilities, rent, food, and gas. We are located at 193 E. Central Avenue in Delaware, Ohio, and open five days a week for shopping and meals.

LifeWise Academy:

LifeWise Academy is a program that allows The Gospel to be taught DURING SCHOOL HOURS to our public school students! Through Release Time Religious Instruction this can legally occur as long as it is privately funded, off school property, and parent-permitted. Buckeye Valley launched its LifeWise program this past Feb/March 2023, reaching students grades 1-8 at Buckeye Valley Middle School and East and West Elementary. They ended the year with 223 enrolled students, all who were taught about Jesus during the public school day!

Grace Clinic of Ohio:

Grace Clinics of Ohio is a faith based free medical ministry for the underinsured and uninsured. We have four locations, soon to be five in Ohio: Delaware, Columbus (Linden area), Marion, Wellston , and Hillard opening in September. We offer medical and dental care as well as some specialty care such as chiropractor, optometry, women's health, social worker, and foot care nurse. In 2022 we served over 1400 people and provided over 7800 services.

Scarlet Hope:

"Scarlet Hope exists to share the hope and love of Jesus with women in the adult entertainment industry (aei). We do this through engaging them (outreach- both through strip club outreach + text outreach), Gospel Centered Community, and Discipleship (connecting women with their local church + Christian community). Our vision is to see women in the adult entertainment industry all over the world engaged with the Gospel of Jesus Christ, teaching them they are loved by the Creator of the universe and were made in His image while equipping and empowering them to change their lives through gospel-centered community and tangible resources. "

If you'd like to get engaged with Scarlet Hope Ohio, please reach out to Bekah at bekah.ohio@scarlethope.org, and visit our website at www.scarlethope.org/ohio"
